This solera was created in 1862 in honour of her Majesty Queen Isabel II of Spain to commemorate her visit to the vineyard.

Amber-hued, its bouquet offers a sublime combination of the dried fruits present in Palomino grapes blended with the sweetness of the sun-bathed Pedro Ximénez grapes. More than 30 years of ageing lend a spectacular concentration to this Palo Cortado Muy Viejo (Very aged Palo Cortado).

We recommend you taste it with pâtés, quality cold cuts or goat cheese. It is best served at room temperature.
