## ROSÉ PINOT NOIR | 2020

ORGANIC WINE

CASABLANCA VALLEY

FRESH • BRIGHT • CRISP

Intense strawberry and cherry aromas are mingled with citrus, herbal and floral notes. Lush texture and fresh acidity that lead to a long crisp finish.

### COMPOSITION

100% Pinot Noir

### WINEMAKER'S NOTES

The grapes are harvested in the early morning to keep them bright and fresh. The fruit goes in whole cluster into the press and is then racked off to stainless steel tanks for cold fermentation before it is bottled.

### 2020 HARVEST

This year undoubtedly presented challenges, principally due to the high summer temperatures and the low levels of precipitation during winter. These were the principal reasons for why harvest began several weeks earlier than normal.

The harvest was different, with lower yields but very expressive, aromatic and fresh grapes, which have shown their character in these wines, with freshness, good body, balance and a long finish.
