## SHERRY CASK AGED GIN

The London N°1 Sherry Cask, is the first gin to have it on the rocks. Coming from the Gonzalez Byass, a company with the best sherries that lead to the best sherry cask and that led to the best sherry cask gin.

The London N°1 Sherry cask is obtained by the distillation in copper stills of a maceration of its 12 botanicals in alcohol of grain and later aging in Gonzalez Byass sherry casks that have previously contained sherry wine from Jerez - Tío Pepe.

The gin goes through an aging process of 3 months in these sherry casks that have previously contained Tío Pepe for more than 10 years. This aging gives it a pale-yellow colour due to the extraction of oak wood components.

The London N°1 Sherry Cask, is the first gin to have it on the rocks for the sensorial experience of aromatic characters of the gin and wood on the palate.

## TASTING NOTE

The London N°1 Sherry Cask has a pleasant, fragrant aroma with notes of juniper berries and mix of botanicals, enhanced by a subtle touch of wood with vinous sensations.

Smooth, elegant and complex on the palate, with well-integrated notes of alcohol and wood. Long and velvety finish.

## PERFECT SERVE

The first gin to have it neat or on the rocks for the unique sensorial experience.

ABV: 43%
