

## Pinot Grigio Terre Siciliane IGT

**Production area:** SICILY

**Alcohol content:** 12% Vol.

**Grapes:** PINOT GRIGIO

### VINIFICATION

Grapes used for this wine come from the sunny island of Sicily. When perfect maturation is achieved, grapes are softly pressed to preserve their fragrance and freshness. Then, they're placed in a tank where fermentation of the must is carried out at controlled temperature of 14°C for around 15 days. The wine is then ready and before bottling, we proceed with tangential filtration.

### TASTING NOTES

**Colour:** Golden yellow with greenish reflections.

**Bouquet:** Fresh and rich fruity notes of apple and pear with a hint of citrus fruit that fade into the floral bouquet.

**Taste:** Fresh and fruity, very clean and crisp.

### FOOD PAIRINGS

Ideal to accompany chicken, fish and also as an aperitif.

*Service Temperature:* 8/10°C.

### AWARDS

**Gold Medal:** Gilbert&Gaillard 2021 – vintage 2020
