VALLE DE UCO - MENDOZA - ARGENTINA

First it was an ocean. Then mountains and later a mountain range. Now it is home to the high-altitude vineyards that produce wines with a mountain-inspired personality and a complexity and character only this terroir can bestow.

Intense and deep violet in color, this blend consists of Malbec (65%), Cabernet Sauvignon (25%), and Petit Verdot (10%). The nose opens with the perfume and notes of red and black fruits provided by the Malbec. Then the signature spicy and peppery aromas of Cabernet make an entrance and blend with hints of oak from Petit Verdot. Round and powerful from the get-go, the wine develops to its fullness, showing structure, complexity, and delicious acidity. Its soft and round tannins lead to a long and persistent finish.
