

JEAN-LUC COLOMBO

AMOUR DE DIEU

Jean-Luc Colombo has forged an international reputation as one of the most visionary and imaginative winemakers in France's Rhône Valley and especially in Cornas.

"My passion is to create wines that give people pleasure. I want each glass to be like a song praising the simple but important things of life: observing nature, enjoying food and sharing with others."

A beautiful Viognier grown on the granite slopes of Condrieu, with precise aromas and freshness leading to a perfect balance. "Amour de Dieu lives up to its name which means Love of God. The vinification in oak is finely mastered to entrance the delicacy and complexity of this dry, full-bodied wine. A great match to poultry cooked with creamy mushroom sauces".
