

JEAN-LUC COLOMBO

CAPE BLEUE ROSÉ

Jean-Luc Colombo has forged an international reputation as one of the most visionary and imaginative winemakers in France's Rhône Valley and especially in Cornas.

"My passion is to create wines that give people pleasure. I want each glass to be like a song praising the simple but important things of life : observing nature, enjoying food and sharing with others."

Cape Blue comes from a place near Marseille. The vines grow on calcareous rocks overlooking the Mediterranean Sea and a landscape composed by peaceful olive trees and "garrigue" (scrubland). This blend of Syrah and Mourvèdre offers an elegant, dry Rosé with spices and freshness at the same time. Perfect pairing for grilled sardines or as simply as an aperitif at a café terrace by the water's edge!

67% Syrah - 33% Mourvèdre.
