

DOMAINE COLOMBO

VALLON DE L'AIGLE

Jean-Luc Colombo has forged an international reputation as one of the most visionary and imaginative winemakers in France's Rhône Valley and especially in Cornas.

The vineyard of «Le Vallon de l'Aigle» (The Eagle Valley) is unique. This wine takes its name from the eagles and hawks which fly over this south-facing site. These old vines represent the quintessence of my life as a winegrower. Only made in outstanding vintages, this wine offers extreme complexity and silkiness with notes of violet, wild raspberry, incense, tobacco and minerality. Achieving superb balance it is a long lived robust wine indeed.

A «Grand Classique» which I pair with «Lievre en Civet» (Hare in red wine sauce).

100% Syrah.
