

JEAN-LUC COLOMBO

LA DIVINE

Jean-Luc Colombo has forged an international reputation as one of the most visionary and imaginative winemakers in France's Rhone Valley and especially in Cornas.

"My passion is to create wines that give people pleasure. I want each glass to be like a song praising the simple but important things of life: observing nature, enjoying food and sharing with others".

"*La Divine* (The Divine) is a magical and everlasting wine. The schist terraces of Côte Rôtie combined with Syrah's intensity and a velvety touch of Viognier create an exquisite wine with aromas of exotic spices, rich black fruit and slight notes of smoke. Divine with pheasant or game birds cooked in fruity sauces".
