

JEAN-LUC COLOMBO

LA REDONNE

Jean-Luc Colombo has forged an international reputation as one of the most visionary and imaginative winemakers in France's Rhône Valley and especially in Cornas.

"My passion is to create wines that give people pleasure. I want each glass to be like a song praising the simple but important things of life: observing nature, enjoying food and sharing with others."

"La Redonne" (the Round Hill) is an exquisite blend of seductive Viognier and stylish Roussanne grapes. The resulting wine has a round texture with a long sensual finish. The perfect wine to serve with freshly caught sea bream "en papillote" or grilled goat's chesse.

70% Viognier - 30% Roussanne
