

JEAN-LUC COLOMBO

LES BARTAVELLES

Jean-Luc Colombo has forged an international reputation as one of the most visionary and imaginative winemakers in France's Rhône Valley and especially in Cornas.

"My passion is to create wines that give people pleasure. I want each glass to be like a song praising the simple but important things of life: observing nature, enjoying food and sharing with others."

Brilliant and flattering, "Les Bartavelles" (The Royal Partridges) are found on the rolled pebbles terroir of Châteauneuf du Pape. This wine is ample and seduces by its hawthorn bouquet, its white peach aromas and its honeyed linden-tree flowers. Exquisite with quails cooked with figs and delicious with a roasted pike perch with fennel.
