

JEAN-LUC COLOMBO

LES FOROTS

Jean-Luc Colombo has forged an international reputation as one of the most visionary and imaginative winemakers in France's Rhône Valley and especially in Cornas.

"My passion is to create wines that give people pleasure. I want each glass to be like a song praising the simple but important things of life: observing nature, enjoying food and sharing with others."

"Les Forots" (The Forest) offers a structured, pleasing wine with surprising precision. It displays the Syrah grape's spicy yet fruity character from Northern Rhône and the round and attractive flavour of the Grenache from Southern Rhône. Great to share with friends accompanying wood-roaster beef or lamb and vegetables.

51% Grenache - 49% Syrah
