

JEAN-LUC COLOMBO

LES GIRELLES

Jean-Luc Colombo has forged an international reputation as one of the most visionary and imaginative winemakers in France's Rhône Valley and especially in Cornas.

"My passion is to create wines that give people pleasure. I want each glass to be like a song praising the simple but important things of life: observing nature, enjoying food and sharing with others."

«Les Girelles» (The Rainbow Wrasses) are emblematic fishes from the Mediterranean Sea : colorful, slender, elegant and acrobat swimmers. The vineyard is located on a limestone plateau, surrounded by pine forests and overlooking at the pound of Thau. This is a delicate wine with notes of fresh flowers that pairs well with small fried fishes, goat cheese or with a seafood platter shared with friends !

100% Piquepoul blanc.
