

CHATEAU

DOMECQ®

This wine's exceptional quality rests in the careful selection of its grapes: a blend of 81% Cabernet Sauvignon, 11% Merlot and 8% Nebbiolo, all originating from the Guadalupe Valley. Its intense red-purple color, and fine and complex bouquet result from a patient 12 months aging in French oak barrels. This wine is an expression of Casa Pedro Domecq's winemaking heritage and stringent quality standards.

La calidad excepcional de este vino coupage descansa en la cuidadosa selección de uvas Cabernet Sauvignon 81%, Merlot 11% y Nebbiolo 8%, provenientes del Valle de Guadalupe. Por su profundo e intenso color rojo violáceo y su delicado matiz, derivado de una esmerada crianza de 12 meses en barrica de roble francés, aunado al fino y complejo bouquet, seduce desde el primer encuentro. Con este vino, Casa Pedro Domecq hace gala una vez más, de la maestría vitivinícola que siempre le ha caracterizado.
