

FINCA

EL ORIGEN

RESERVA TORRONTÉS

First it was an ocean. Then mountains and later a mountain range. Now it is home to the high-altitude vineyards that produce wines with a mountain-inspired personality and a complexity and character only this terroir can bestow.

Citrus zest, white flower, and tropical white fruit-scented nose. Gentle and creamy palate. Long and pleasant finish with lingering acidity.

**BEST
PAIRED
WITH**

Thai food, curried dishes, and fresh pasta.
