

FINCA
EL ORIGEN
PHI

Phi (1.618) or golden ratio is related to the divine proportion that defines the spiral sequence of the seashell fossil that represents us at Finca el Origen. Today, it is the inspiration for our icon wine, which arises from the natural harmony existing in our terroir and our proficiency to find every vintage an assemblage in which its varieties are in perfect proportion.

RED WINE / WINE OF ARGENTINA / NET CONT. 750ML
