

JEAN BOUCHARD

— DEPUIS 1926 —

Saint-Véran

AOP Saint-Véran, Bourgogne, France

PRESENTATION

This vineyard located in southern Burgundy, in the Mâconnais region, extends around Pouilly-Fuissé. Its southern part borders Beaujolais and occupies the slope, the famous Roche de Solutré chain.

LOCATION

This 480-hectare vineyard located in southern Burgundy, in the Mâconnais region, extends around Pouilly-Fuissé. Its southern part borders Beaujolais.

TERROIR

The vineyards thrive on mainly limestone and marl-limestone steep terrain with shallow brown soils and an east exposure.

WINEMAKING

Traditional vinification in temperature-controlled vats at 20°C. Aging on fine lees, 80% in vats and 20% in oak barrels for 8 to 9 months.

VARIETAL

Chardonnay

SERVING

Serving temperature: between 11-13°C.

To be enjoyed young with fruit or to be kept for 3 to 5 years.

TASTING

Pretty straw dress.

Fresh nose highlighting vegetal notes of blackcurrant bud, a hint of acacia, and some woody nuances.

A pleasant roundness in the mouth and a beautiful structure with a long slightly saline finish.

FOOD PAIRINGS

Classic pairing: Roast chicken with Provence herbs.

Atypical pairing: Foie gras crème brûlée.
