SAUVIGNON BLANC

Casablanca Valley, Chile

MADE WITH ORGANIC GRAPES

Cool climate vineyards - close to the Pacific Ocean - sustainably farmed and hand harvested in small batches.

Traditional winemaking and careful work with lees, allows for consistency, smoothness and true expression of origin.

The wine is fermented and aged for eight months in a combination of concrete eggs, neutral barrels and stainless steel tanks, enhancing flavors and texture.

Serve at 50°F with oysters, fish and green salads.
