Alipús project was born in 2000 with the vision of preserving and promoting ancestral wisdom and knowledge to create the best mezcal.

Mezcal Alipús are masterfully produced in the palenques of the maestros mezcaleros of 11 families from 6 different regions in the state of Oaxaca, Mexico, using 100% artisanal methods. We seek at all times to preserve the culture and spirit behind this magical drink and that is transmitted from generation to generation, generating a value chain that exalts our roots and our communities.

« FAMILIA ALIPÚS »

Alipús San Baltazar has been produced in San Baltazar Guelavila, Oaxaca in the palenque of **Don Cosme Hernández and his son Cirilo** since 2008. The production of this mezcal follows 100% artisanal process, from the maguey planting and cultivation, to the distillation in stills copper made.
